

Classical Comics: Graphic Classics for the Classroom

Interactive Motion Comic ** New! **

SHAKESPEARE ... BROUGHT TO LIFE LIKE NEVER BEFORE!

Classical Comics have taken the stunning artwork of their award-winning *Macbeth-The Graphic Novel* and created an **INTERACTIVE Motion Comic**

Macbeth - The Interactive Motion Comic

- Featuring all three text versions - **Original, Plain & Quick** - in one engaging visual & audio experience!
- Vocal talent of **Juliet Stevenson** as Lady Macbeth & **Sir Derek Jacobi** in the title role
- Helpful context notes & script reference
- Runs on PC and Mac - use it on your whiteboard
- Choose 'Movie Mode' to watch the experience unfold, or go through the play panel- by-panel

'Classical Comics is truly inspirational, creating an accessible and fascinating mix of visual and audible drama. The stage and page are brought vividly to life. Highly recommended for any student of Shakespeare!

~ Sir Derek Jacobi
