

### Lucky Luke Adventure #32: Rails On The Prairie

Rene GOSCINNY. ~Illustrated by 'Morris'~

Paperback, 48pp, 287x217mm, 9781849181044, \$12.95

Suitable for: 8+ years.

#### Lucky Luke takes charge of construction of the First Transcontinental Railroad!

The First Transcontinental Railroad is stopped dead near its starting point, both in the East and in the West. Repeated injunctions from the president of the 'Transcontinental Railroad' are having no effect: His workers are constantly prevented from working by agents of a mysterious traitor.

But Lucky Luke witnesses one of the acts of sabotage and stops it. Soon, he is in charge of security for the entire westward push — and he will have his work cut out for him!

**Key Points:** ■ Lucky Luke is one of the most famous cartoon characters, alongside Asterix and Tintin ■ Bestselling European comic series ever, with more than 300 million copies sold worldwide in over 30 languages ■ Lucky Luke comics have been made into several animated cartoons, and two cinematic adaptations ■ Suitable for adults and children ■ A cheerful homage to the golden age of Hollywood westerns ■ Lucky Luke is unwaveringly honest, loyal and faithful, and is a great role model for younger — and older! — readers.

This tale takes place in the seventh century and draws its narrative power from the imaginary world of magic spells and legends, where men and gods still mix. More than a simple adventure story, this series is a true apology for freedom and the fight against the arbitrary, because what stands out most in Thorgal's personality is his deep sense of humanity ...

**In this adventure** ... Still travelling with Kris of Valnor, Thorgal runs afoul of a local tribe. When a mysterious old woman offers him a chance to escape the hostile villagers, he accepts.

But there's more to the bargain: She says that if he can make his way into the Invisible Fortress, he'll be able to erase his name from the Stone of the Gods, cancelling his destiny — and finally have a chance at a normal life.

**Key Points:** ■ More than 13 million Thorgal volumes sold worldwide in over 16 languages ■ Suitable for teens and adults ■ Thorgal is a good role model: He fights for freedom and against injustice
