

Antares, Episode 1 [New Cycle in *The Worlds of Aldebaran*]

LEO. Illustrated by ~Leo~

Paperback, 48pp, 257x184mm, 9781849180979, \$16.95

Suitable for: 15+ years.

The three current cycles of **The Worlds of Aldebaran** [*Aldebaran*, *Betelgeuse* and *Antares*] make up one of the most captivating science fiction series of recent years.

The author tells of humanity's first attempts to colonise distant planets. Kim — who faces many adventures and challenges — begins her trek on the Aldebaran planet. On the way to Betelgeuse and Antares, she encounters strange creatures, confronts dangers from unknown worlds, and witnesses damage caused by mankind's insanity.

In the first episode of this new cycle ... After the failure of the Betelgeuse colonisation mission, Kim is back on Earth, where she is an increasingly popular figure. Meanwhile, advance scouts on planet Antares have witnessed some distressingly strange events.

Worried about the future of this new mission, the sponsors of the Antares project call upon Kim to accompany the first colonists, offering legal amnesty for Alexa and Mark in exchange. It's the beginning of a new adventure for the young woman and her friends.

Lady S. 3: Game of Fools

Jean VAN HAMME. ~Illustrated by Philippe Aymond~

Paperback, 48pp, 257x184mm, 9781849180962, \$12.95

Suitable for: 15+ years.

Poor Lady S. is being used by a secret agency again — this time to sniff out her recent employers.

Suzan and her father, James Fitzroy — roving ambassador, special correspondent for the American Secretary of State in Europe — are taking a well-deserved break in the south of France. But their holidays are cut short when several men burst into the house and kidnap James.

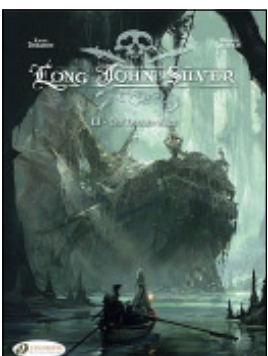

What Suzie doesn't know is that the attackers are actually CIA operatives: The Agency is offended by the existence of an unofficial European counterterrorist outfit. But in their attempt to use Lady S. to draw her employers out, it's the American spooks who may be made the fools ...

Paperback, 48pp, 287x217mm, 9781849180986, \$12.95

Suitable for: 8+ years.

The Lonesome Cowboy is forced to hang up his spurs by an ambitious lawman from Chicago!

It's the start of the 1860s, and the Old West is changing — a change that comes as a shock to the Daltons when they're arrested not by Lucky Luke, but by ... Allan Pinkerton! The man is determined to turn bandit-hunting into a modern, rational business — even at the cost of the American people's personal freedom.

It'll be up to Lucky Luke to ensure that everyone is protected against all evil-doers, rascals and lawmen alike ...

Key Points: ■ Lucky Luke is one of the most famous cartoon characters, alongside Asterix and Tintin ■ Bestselling European comic series ever, with more than 300 million copies sold worldwide in over 30 languages ■ Lucky Luke comics have been made into several animated cartoons, and there have been two cinematic adaptations ■ Suitable for adults and children
